SHOWCASE WINTER GARDEN **Wednesday, March 28, 2007**

An afternoon of opportunities in Winter Garden

In partnership with 11 developers, the City of Winter Garden is hosting a “Showcase” of the new commercial development throughout the City. Showcase Winter Garden is an event to increase awareness and provide opportunities for realtors, businesses and civic leaders throughout Central Florida.

With over 2 million square feet of new commercial development, the landscape of Winter Garden is changing. Be the first to hear about the changes and make the deals. Spend the afternoon in Winter Garden and have lunch with the developers who are making it all happen. The event starts at 11:00 a.m. and participants should be done by 5:30. Showcase Winter Garden will include a guided trolley tour of the projects. This is a great opportunity to get the facts, hear about the changes and see the new projects” says Shelly Weidenhamer, Winter Garden’s Economic Development Director.

“Showcase Winter Garden is a one-stop commercial real estate shop that will include a luncheon, presentations, and a bus tour of projects in Winter Garden,” says Christi Davis, CCIM, Principal with NAI Realvest. “We are marketing Winter Garden Executive Centre (upscale office condos) on Dillard Street but we are also marketing Winter Garden and this event will help us promote everything Winter Garden has to offer.”

The event is FREE. Showcase Winter Garden will be held on March 28, 2007 at Tanner Hall, 29 W. Garden Avenue. To RSVP call Nancy Williams at 407-656-2266 or send an e-mail to nwilliams@cwgd.com. Deadline to RSVP is Friday, March 16.
